

# River Dance (imp)

## OLDENBURG PREMIUM STALLION

1996, brown, 168cm.  
Licensed and performance tested stallion.

A Premium Stallion at the Oldenburg Licensing 1998, River Dance received best references from his first rider Lisa Wilcox. This was certified in the protocol of his Stallion Performance Test: Character 9, Temperament 10, Willingness to perform 9, Condition 10, Rideability 8 & 9, Result: 121,42 Points, 5th placing of 37 stallions.

In typical Rubinstein fashion, River Dance is completely uncomplicated and easy to handle.

His outstanding talents for the big dressage arena are further backed up by his superb pedigree on the dam line. His maternal sire Atatuerk is also the sire of the dam of the international dressage star Wallstreet/Kristy Oatley-Nist and his grandsire Cavalier is the sire of Blue Hors Cavan. Atatuerk is also the maternal grandsire of the (yet unnamed) Reserve Winner of the 2005 Hanoverian Stallion Licensing by Don Frederico/Lauries Crusador xx-Atatuerk-Absatz.

River Dance's progeny have a delightful temperament, super type and fantastic movement. His first progeny were born in 2001 and are starting their competition careers.

From 2005 to November 2006 River Dance was standing at stud and in training with Bill Noble, 2005 NZ Grand Prix Champion

River Dance has had his first wins and places at Prix St Georges and Intermediare.
