

FISHERMANS FRIEND (imp)

HANOVERIAN PREMIUM STALLION

1996, brown, 169cm.

Licensed and performance tested stallion. Imported from State Stud Celle – Germany.

Hanoverian Stallion Performance Test scores: overall score 124.08 / 6th.

Dressage score 127.11 / 4th Jumping score 112.64 / 11th.

Top 5% of Dressage stallions on the FN Index (Worldwide).

Fisherman's Friend is a noble and big-framed stallion with a very well-formed neckline. Type and expression, combined with 3 sensational paces, are the main characteristics of this well-shaped, elegant stallion. In the stallion performance test he excelled with a total of 124.08 points and attracted everybody's attention by his floating movements and his high rideability. Two Thoroughbred stallions on his dam's side in the fifth generation should increase his breeding value. His dam completed her mare performance test with high results in rideability and jumping ability, and the sire of Fisherman's Friend, Fabriano, is regarded as one of the best stallions in the current Hanoverian breed. The offspring of Fabriano convince by very high rideability, above average jumping talent and very good basic gaits. Pik Solo is a personality of a horse with a well reknowned and established pedigree. He has an excellent dressage breeding value of 145.0. His sire is the top dressage stallion Pik Bube I, who was schooled at the highest level of dressage after completing is performance test as Vice Champion in 1976. He possessed flowing movements, lots of presence, and a tremendous capacity to learn. His breeding values are 158 for dressage and 127 for showumping.

In 2005 Fish was selected in the Top 5% of Dressage stallions on the FN Index, and this was with only one crop of foals under saddle. A tremendous feat!! He was imported into Australia by Remi and Ribbleton Studs in 2005, and his first crop of foals are due in the breeding season 2006/07. He will be campaigned by the top FEI rider, Brett Parbury, during the year.
